The unique ridgeline location, proximity to the Mountain Village core, unsurpassed level of finish and access to the varied amenities at the Peaks Resort make See Forever Village one of the finest properties in the region and one that will not easily be replicated. Unit A101 offers stunning drop away views of the Valley Floor and San Sofia Ridge which can be enjoyed from the expansive north facing patio. If you have not visited See Forever Village, you have not seen the best that Telluride has to offer!

Offered at \$4,500,000
