The Galena Home is located in a charming neighborhood in the historic Town of Telluride, and comes with 4 FREE LIFT TICKETS per day. It is just 2 blocks north of the center of town and a short walk to the lifts; the home basks in year round sun and offers spectacular mountain views. Guests have access to slopeside lockers. Completed in 2003 the Galena Home blends the perfect combination of luxury and style. It offers state of the art technology with features including Lite-touch lighting controls, motorized blinds, in-floor heat, automatic skylights and an AMX audio integration system with 70 built-in speakers throughout the home.

Interior finishes are exquisite and include antique timbers, granite and patina countertops, native stones & cortin ceilings. The stunning kitchen offers high end Viking appliances including a 6-top gas range, heated bar top, commercial refrigerator and custom cabinetry.

The incredibly impressive outdoor living space features a two tiered patio with a built in hot tub equipped to comfortably seat twelve adults. This patio has a custom built BBQ area and is ideal for entertaining. Included with the area is a lounge guest house that is perfect for having that afternoon get together with friends or have a few cocktails as the sun goes down. This home is perfect for any type of vacation!
